

Perseverance is not giving up. The **Bible** does not promise a life of instant success. The road to victory is often long and difficult, but Jesus helps us to continue faithfully.

This is fundamental to our motto of Believe and Achieve as for most of us success requires great perseverance. There are lots of great examples of famous people who have had to persevere.

The worship team would like to organise a whole school charity fund raiser which if permitted, they will start planning on their return from the holidays.
