Christian Value this term: Compassion

Colossians 3:12: 'Therefore, as God's chosen people, holy and dearly loved, clothe yourselves with compassion, kindness, humility, gentleness and patience.'

This week...

Outdoor progress

Thank you to John Thomson and his team who this week have worked hard on our outdoor project - we now have a path up to the outdoor classroom, along with posts and gate posts around the pond area, plus underground ducting in place for the electric supply. We have our gazebo arriving on Friday, along with flooring for the classroom coming in the next few days too. Things are starting to take shape, and the children and staff are excited about planting and using the area.

Class Dojo

Hopefully you have now all had your Class Dojo invites that were sent home with the children this week - please make sure you sign up as it's a great way to stay in touch with how your child is doing in school, along with what they are learning, class letters etc

Parents Evening

We still have quite a number of parents who haven't signed up to a time slot for next Tuesday. Please use the time sheets in the school reception area - this meeting is important as teachers will inform parents about how children have settled in, along with any areas that need supporting.

Y3/4 Ribchester Roman Museum Visit

Y3/4 had a super visit to the Roman museum at Ribchester on Tuesday, which they all thoroughly enjoyed. The children found out about how the Romans lived on the site, and they also got to hold and look at real Roman artefacts and ruins. The highlight though was trying on helmets and armour, along with holding weapons and a shield!

I was really impressed with what they had remembered from their classroom work, and Patrick the museum teacher was also impressed. I was very proud of their behaviour, and Patrick commented on what a great class they had been. See the next page for some pics from the day - more can be found on Class ¾ Dojo story
